

Celebration of Student Inquiry in Economics

UNIVERSITY of WISCONSIN
LA CROSSE

Department of Economics

Students from upper-level economics courses will give *interactive digital poster presentations* of their final projects on topics including but not limited to labor economics, applied econometrics, economics of sports, and health economics.

Courses include:

ECO 307: Introductory Econometrics

ECO 320: Economics of Sports

ECO 471: Health Economics

Friday, December 11, 2015

2:30 PM - 4:30 PM

Rooms 3212 and 3214 Centennial Hall

All members of the UW-L community are invited.

Upper level Economics and CBA students are especially encouraged to attend.
